

Poster Session Bingo (Tuesday evening):

Courtesy of
Liza Brost

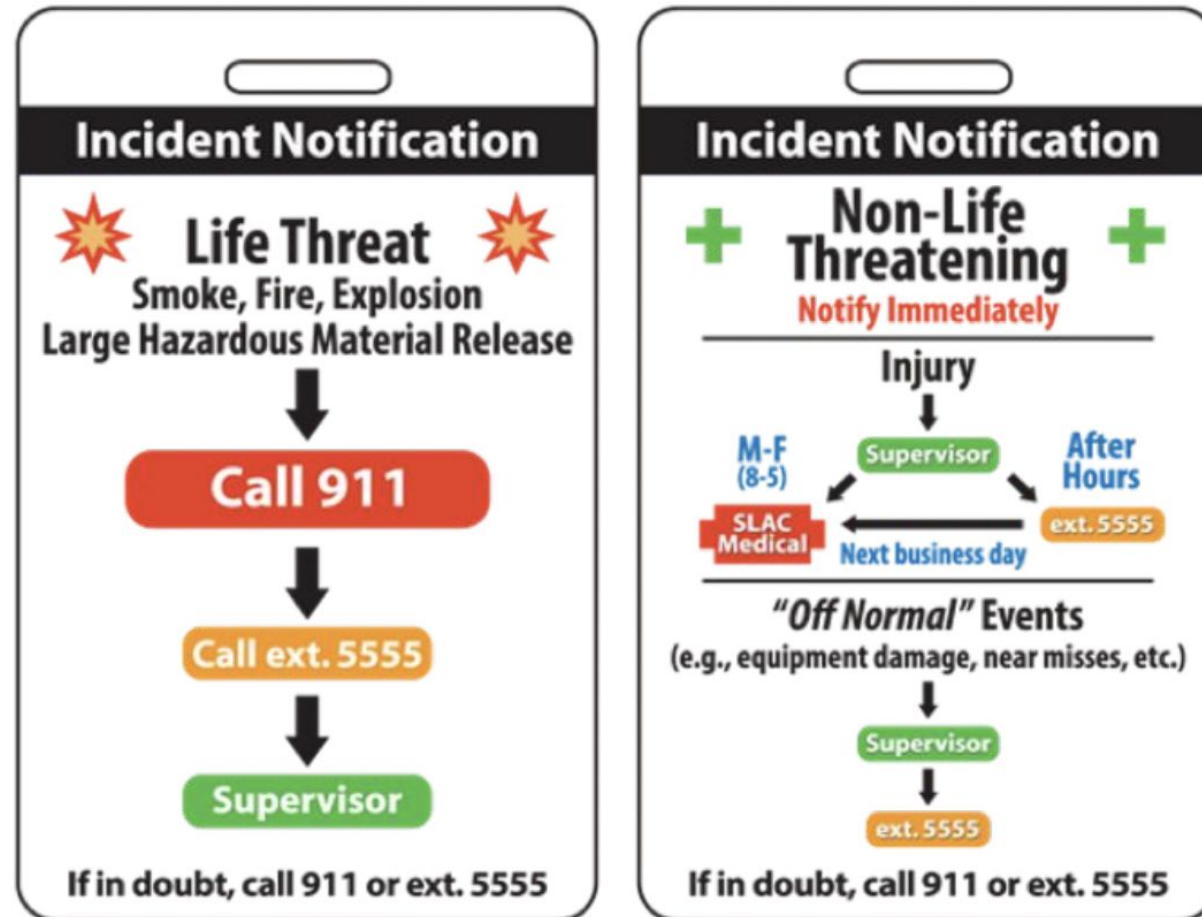

- Each attendee will get a bingo card, where you can collect stickers *and* vote for the best poster
- When you discuss a poster with a poster presenter, they will give you a *uniquely-colored sticker* for your bingo card
 - It's up to the poster presenter to decide if the interaction was "sticker-worthy"
- There will be prizes for best poster, and for filling up the bingo cards!

LOC things

Caterina Vernieri, Julia Gonski, Spencer Gessner, Charles Young for the LOC
September 8, 2026

Safety First

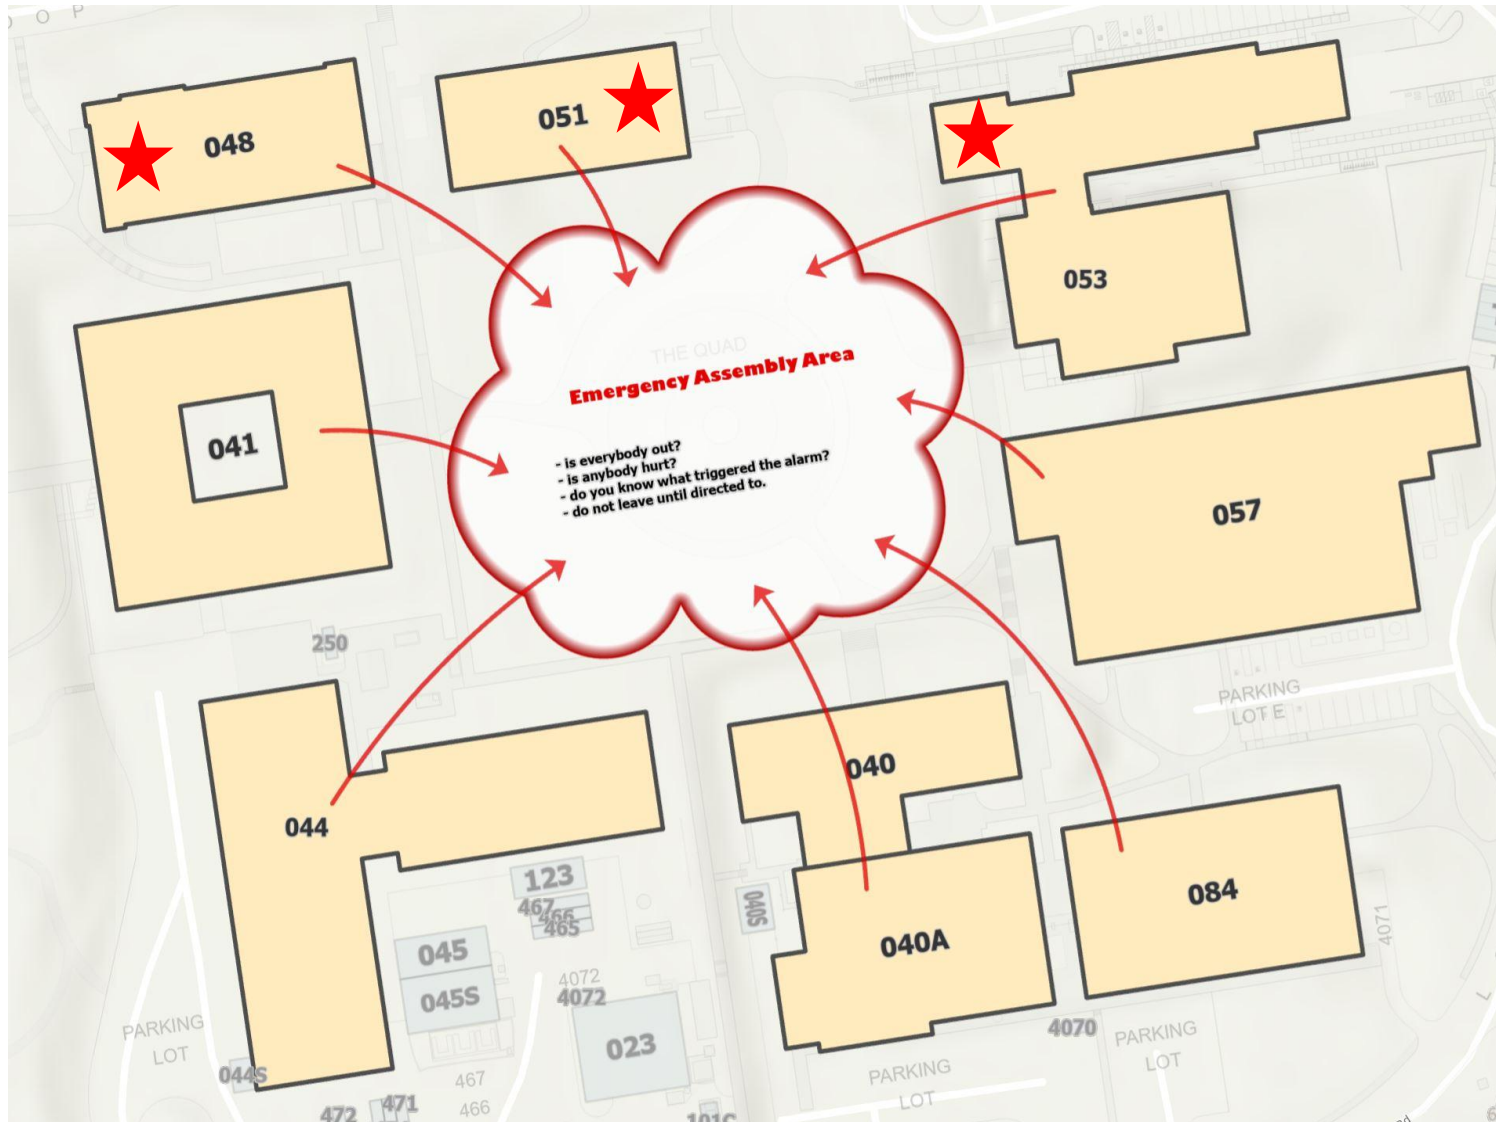

Fire

- Evacuate. Be aware of building exits
- Follow building residents to the assembly area
- Do not leave until you are accounted for, and have been instructed to leave.

Earthquake

- Remain in building: Duck, cover, and hold position
- When shaking stops: Evacuate building via a safe route to the assembly area
- Do not leave until you are accounted for, and have been instructed to leave.

Assembly Area

Thank you!

US HFCC L1/2/3 organization and for support
SLAC in hosting the annual meeting this year.

FPD and AD for support this meeting at SLAC.

FUTURE CIRCULAR COLLIDER

THE FOURTH

US FCC MEETING
SEPTEMBER
8-11, 2026

📍 **SLAC National Accelerator Laboratory**
Menlo Park, California

ORGANIZING COMMITTEE

Carl Haber	Spencer Gessner
Caterina Vernieri	Srini Rajagopalan
Jean-Luc Vay	Stephen Gourlay
Loukas Gouskos	Tor Raubenheimer

Wifi Access

SLAC supports eduroam site-wide

- eduroam is fast, secure and you don't have to do anything different to connect
- Recommended

Alternatively, there is an open SLAC-VISITOR network

- Register once with your name and email address
 - Your SLAC POC is Glenna Paige
- Connect with a PIN

Registration

Please complete this registration form, including contact information so that we can reach you if there are issues relating to your device or usage while on this network. Your contact information will be transmitted over a secure connection. The property control number (PC Number) is only for SLAC-owned devices. If you choose not to provide sufficient or valid contact information and your computer causes network problems, your network access will be disabled. For additional information, contact the Helpdesk at 650.926.4357.
