Inclusive Events

rank 10: AD score = 1407.460 (event 1672574499)

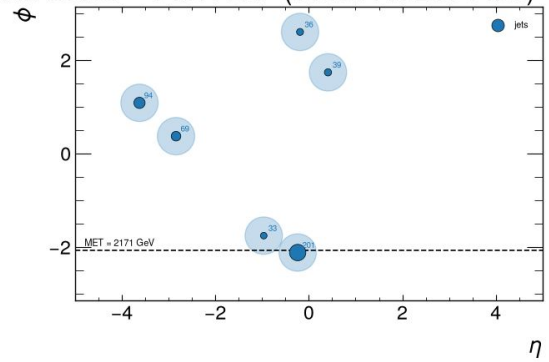

Inclusive events are usually driven by high energy objects, and also have lots of overlapping leptons in the HLT objects

rank 13: AD score = 1275.491 (event 157219251)

rank 10: AD score = 1407.460 (event 1672574499) -- HLT objects
