## Report from Japan

*Monday, 15 May 2023 16:30 (20 minutes)*

In this talk I summarize the Promotion status of ILC in Japan.

- 1) Japanese HEP community makes promotion scheme, ILC-Japan.
- 2) We have tight collaboration with IDT.
- 3) KEK just starts the international R&D framework, ILC technology network
- 4) I also show our expected timeline.
