Wifi Access

SLAC supports eduroam site-wide

- eduroam is fast, secure and you don't have to do anything different to connect
- Recommended

Alternatively, there is an open SLAC-VISITOR network

- Register once with your name and email address
 - Your SLAC POC is Glenna Paige
- Connect with a PIN

Registration

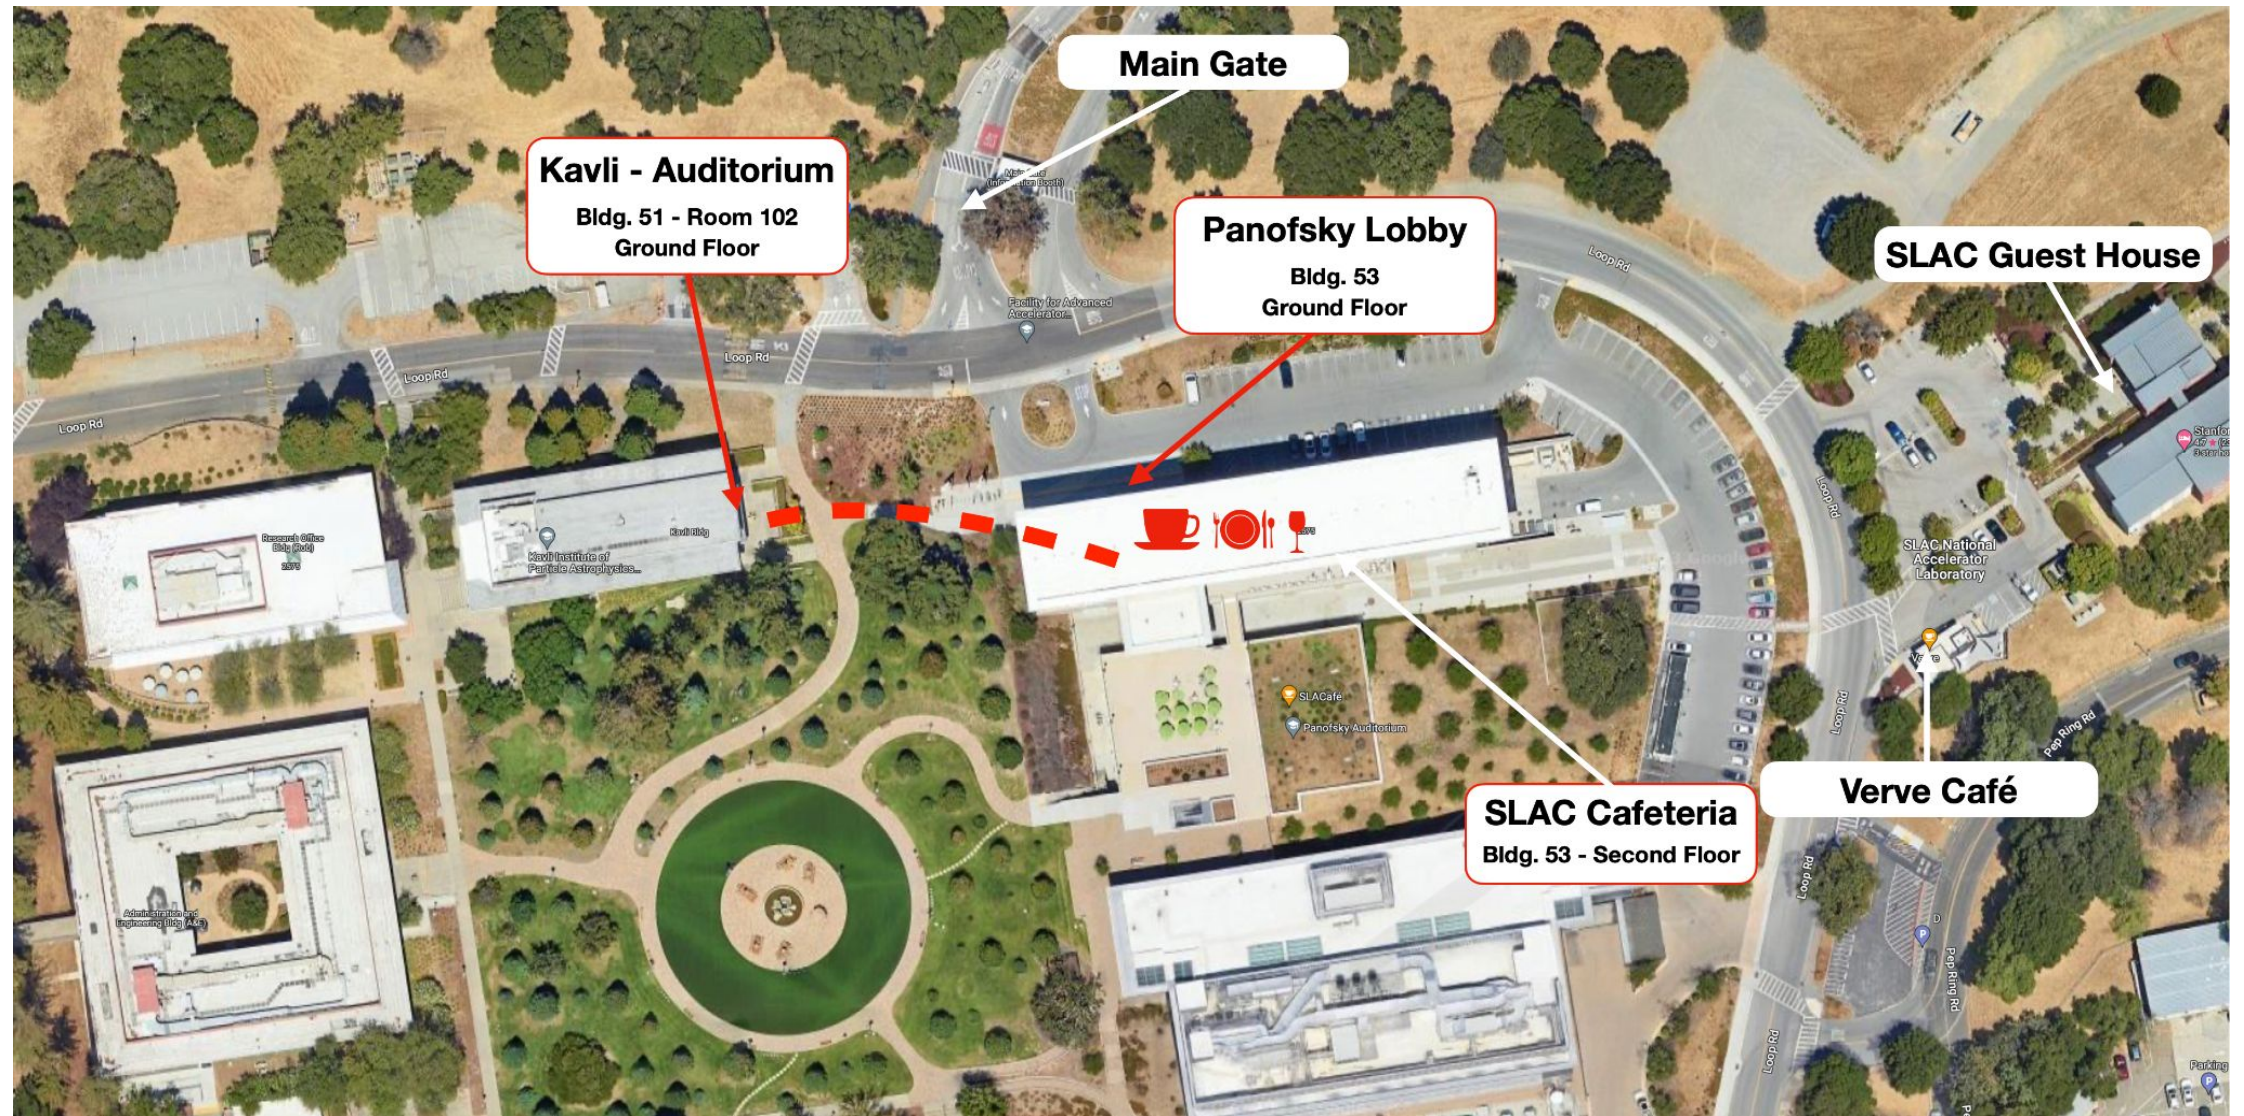

Please complete this registration form, including contact information so that we can reach you if there are issues relating to your device or usage while on this network. Your contact information will be transmitted over a secure connection. The property control number (PC Number) is only for SLAC-owned devices.
If you choose not to provide sufficient or valid contact information and your computer causes network problems, your network access will be disabled. For additional information, contact the Helpdesk at 650.926.4357.

Shuttle service from SLAC at 5pm

[Devil's Canyon Brewery on Google Maps](#)

935 Washington St, San Carlos, CA, 94070

Group Photo

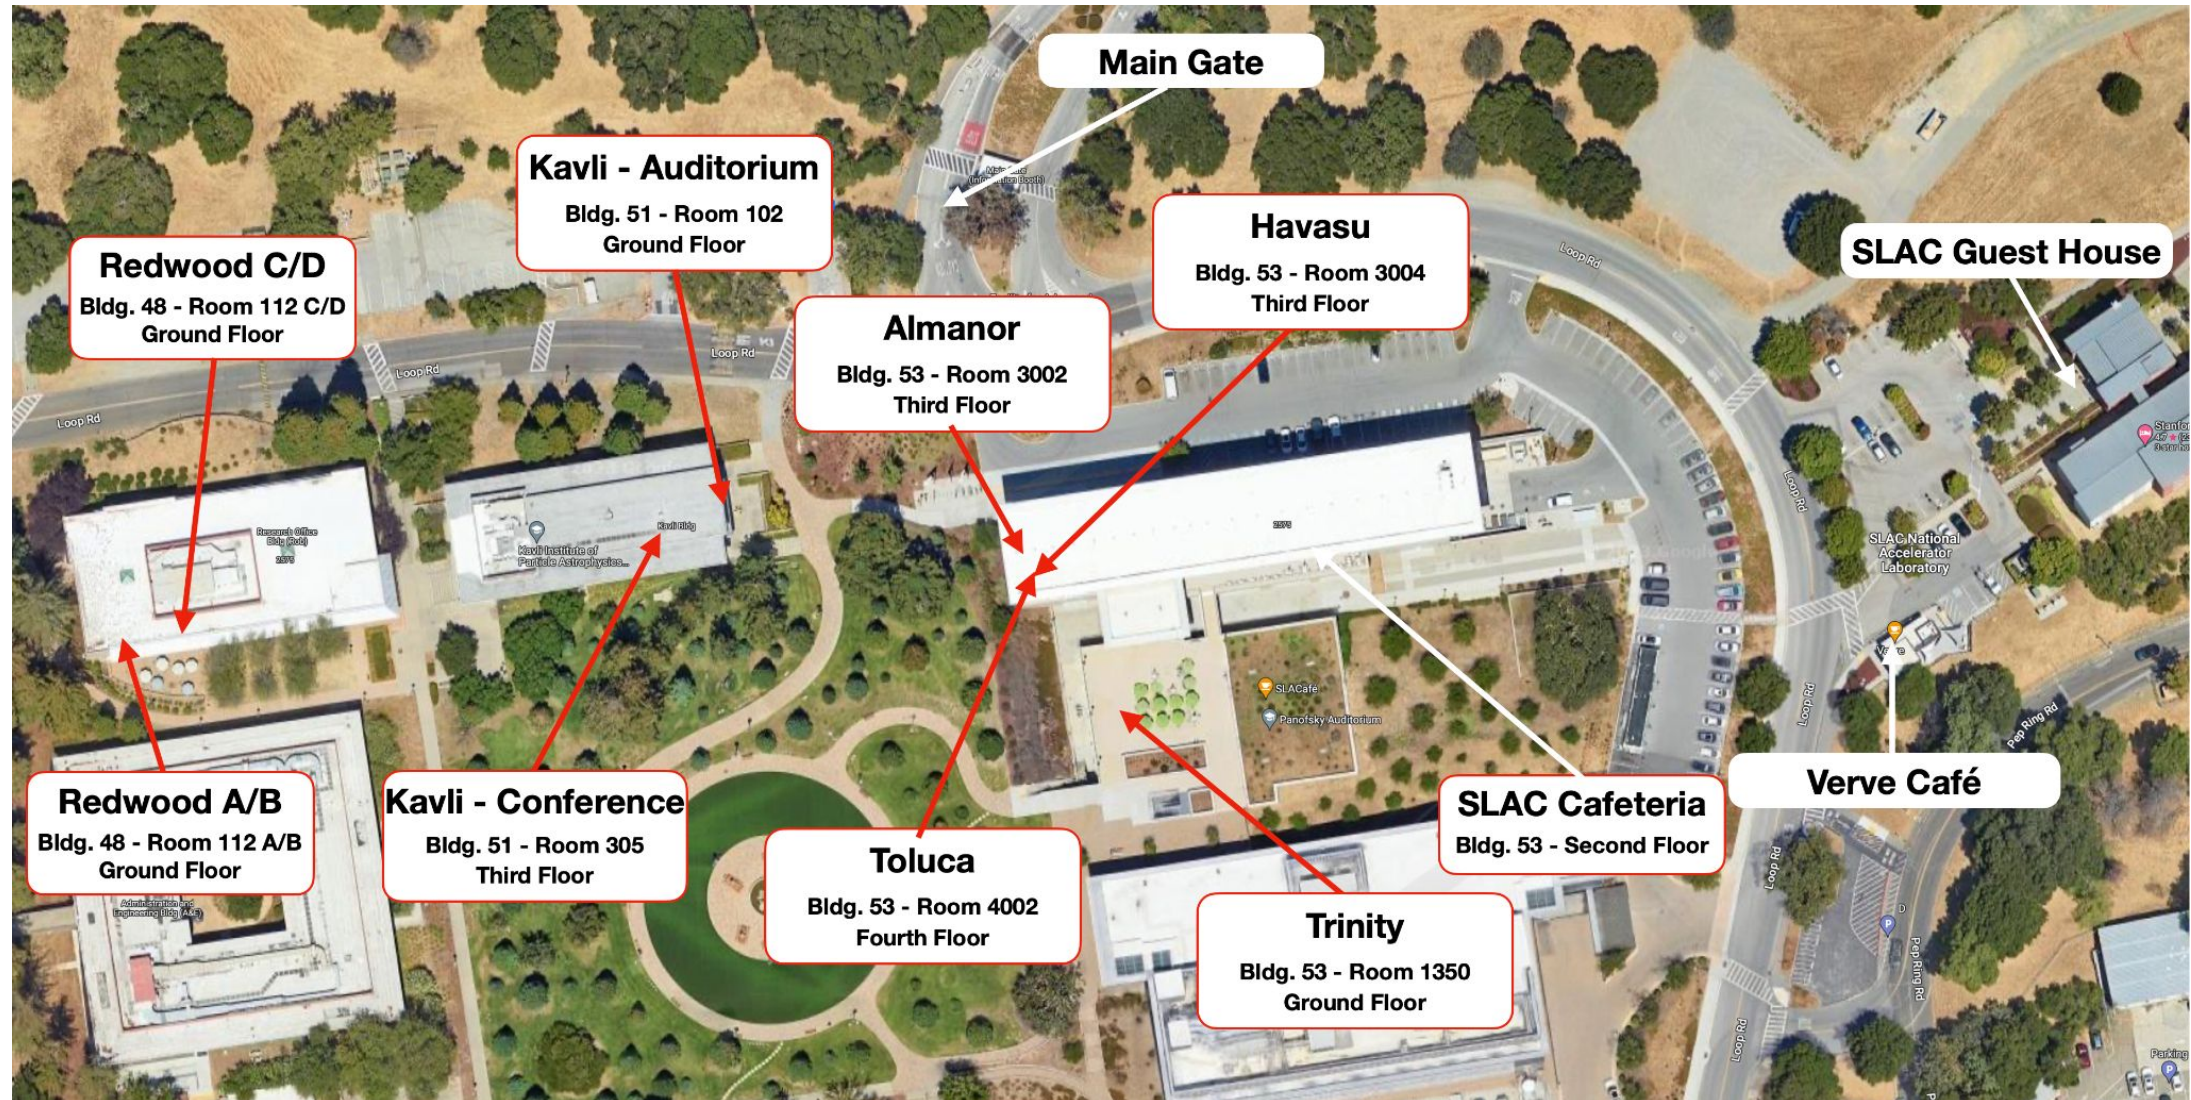

Today at 10AM

- The photographer will take the group photo right after this session
- Follow everyone back outside to the main quad
- The break is 45 min

Parallel Sessions

Verve and SLACafe close at 2pm

Parallel Sessions

Track conveners will have to coordinate with remote speakers in their session

- SLAC A/V and local organizers will be in each of the room to facilitate operations
- Please check talks are uploaded on indico the night before
- Let us know if you need an extra laptop

Enjoy the discussions!

Live Q&A

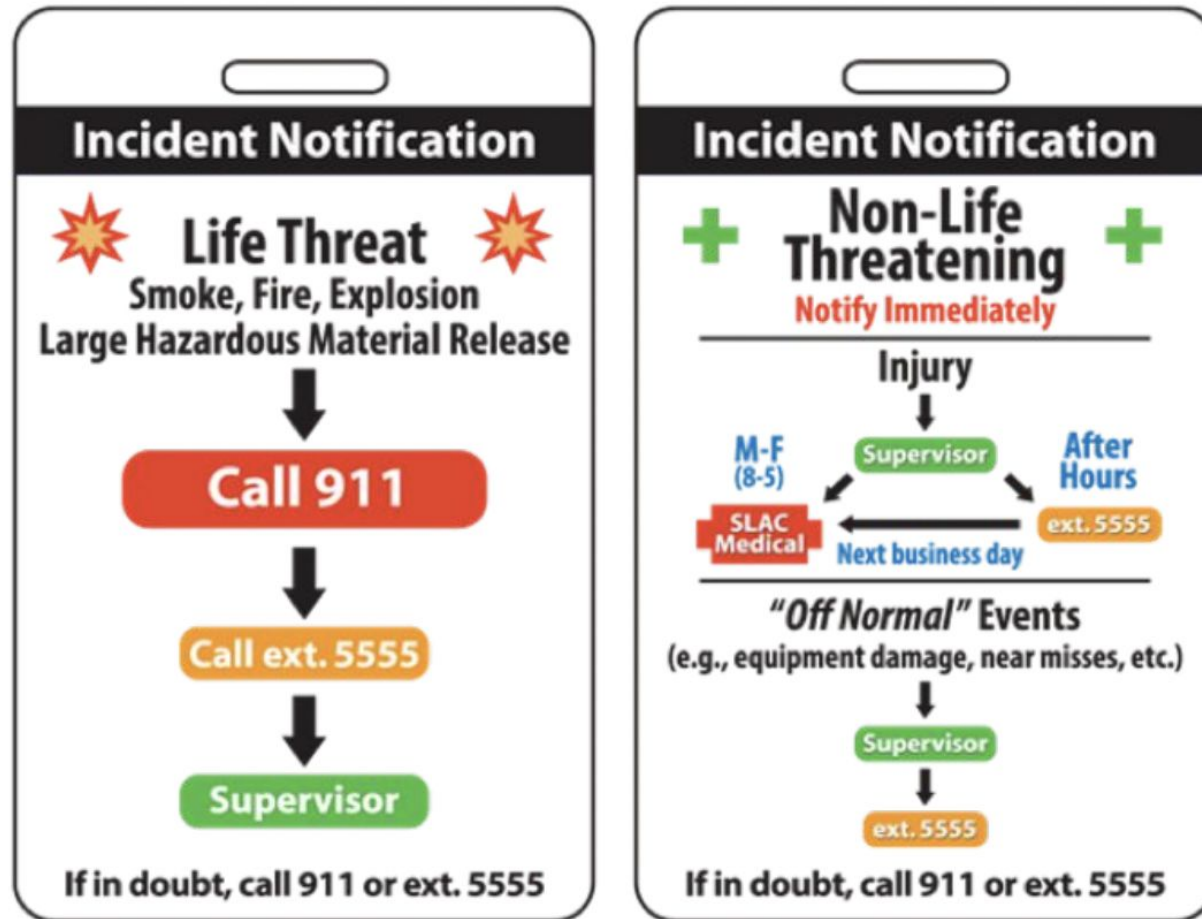

See the Google Doc ([Indico Link](#)) where questions are posted for each talk

- Remote speakers are encouraged to post questions on the google doc, the session chair will handle them

A **panel** was organized by the POC to discuss the status of the field and to possibly prepare a statement to P5 from the community

- The panel will convene on Monday and Friday and panel members are eager to hear direct feedback from the community during the week

at last, Safety First

Fire

- Evacuate. Be aware of building exits
- Follow building residents to the assembly area
- Do not leave until you are accounted for, and have been instructed to leave.

Earthquake

- Remain in building: Duck, cover, and hold position
- When shaking stops: Evacuate building via a safe route to the assembly area
- Do not leave until you are accounted for, and have been instructed to leave.
