

# Cool Copper Collider Workshop

## Tuesday, 7 February 2023

### Accelerator Technology Developments (08:30 - 10:00)

time	[id] title	presenter
08:30	[9] Alignment and Vibration Tolerances	WHITE, Glen
09:00	[10] Wakefield Damping	KIM, Dongsung
09:30	[18] Optical Alignment	VAN DER GRAAF , Harry

### Accelerator Technology Developments (10:30 - 12:00)

time	[id] title	presenter
10:30	[12] Structure Development Update	DHAR, Ankur
11:00	[13] Cathodes	SMEDLEY, John
11:30	[14] Technology Discussion	

### Accelerator Technology Developments (14:00 - 15:45)

time	[id] title	presenter
14:00	[11] Demo Beam Dynamics and Emittance Measurements	WU, Juhao
14:30	[22] Discussion on HT, the role of gas pressure and potential sound level	SHOELE, Kourosh
15:00	[19] Muon Collider R&D	PALMER, Mark
