# DAQ Overview

Chelsea Bartram
06/26/2023

DAQ Breakdown

- Controls:

  - Explored options (dripline, etc). Kaliroe is developing.

- Database:

  - Schema developed but will need review.

- Digitizer software:

  - Kevin is developing

- Computing resources:

  - Good options at Stanford. Backups?

- Sequencer: Most relevant to calibration team right now.
