

Session Program

14 December 2023

4D Tracking and 5D Calorimetry

Electronics and Sensors

Thursday 14 December

11:40

Electronics and Sensors: 4D/5D techniques

Session

11:40-11:50 **LGDA's**

Speakers

Christopher Kenney, Julie Segal

11:50-12:00 **28nm CMOS TDC ASIC**

Speakers

Bojan Markovic, Larry Ruckman

12:00-12:10 **4D Tracking and 5D Calorimetry electronic concepts**

12:10-12:15 **Intelligent readout: 4D pixel and 5D calorimeter clustering**

12:15
