

The logo features a red square on the left containing a white '4' and a white 'D' with a clock face and a starburst. To the right, the word 'Tracking' is written in a large, bold, red font. A horizontal red line with several small circles and a brushstroke-like end extends from the 'D' across the top of the word 'Tracking'. Below this, the words 'workshop 2024' are written in a large, bold, grey font.

Tracking workshop 2024

Contribution ID: 13

Type: **not specified**

Diamonds

Thursday 7 November 2024 10:55 (10 minutes)

Presenter: Prof. SCHUMM, Bruce (Santa Cruz Institute for Particle Physics and the University of California, Santa Cruz (US))

Session Classification: Sensors
