

Session Program

27-29 Aug 2025

**Workshop on Frontiers in Ultrafast Scattering
of Electrons**

UED Facilities

SLAC, 48/1-112A/B/C/D - Redwood Rooms
2575 Sand Hill Rd, Menlo Park CA 94025

Wednesday 27 August

10:00

UED Facilities

Session | **Location:** SLAC, 48/1-112A/B/C/D - Redwood Rooms, 2575 Sand Hill Rd, Menlo Park CA 94025 |
Convener: Stephen Weathersby

10:00-10:30 **3D atomic structure determination with MeV electron diffraction**

Speaker

Alke Meents

10:30-11:00

The Future RUEDI (The Relativistic Ultrafast Electron Diffraction and Imaging) UK facility

Speaker

Julian McKenzie

11:00-11:30 **MeV UED facility at SJTU**

Speaker

Dao Xiang

11:30-12:00

KAERI MeV-UED: Setup and Applications to Ultrafast Chemical Dynamics

Speaker

Jun Heo

12:00-12:30 **SLAC MeV-UED R&D Upgrade Plans**

Speaker

Joel England

12:30
